BRIEF DESCRIPTION OF ATTRACTION

Go Tours Canada is one of the Toronto's favourite attractions! Featuring walking tours, Segway tours, corporate events and school activities, the company has developed a highly versatile roster of tours and events for everyone.

Located in the Distillery District in Old Town Toronto, the company has drawn on the rich and controversial history of the area and city that has grown up around it. Always innovating, they are one of the first tour companies on the planet to integrate 360 video and photo technology into their existing products. Tours are available year-round and can be booked online at gotourscanada.com.

DESCRIPTION OF EDUCATIONAL PROGRAMS

Go Tours offers a number of educational activities between grades 6-12 in Adaptive Reuse, Social Structure, Geography, First Nations and North American History and Architecture. Go Tours' programs match up with Ontario's existing curriculum across a number of themes and points.

The **Classic Distillery Walking Tour** features fully developed lesson plans for use before, during and after visits. Go Tours also offers one of the first 360 educational experiences in North America via their Youtube channel. This technology allows teachers and students to load a specially designed Youtube video on their cellphones and re-experience the Distillery District in 360 after their visit.

Old Town Toronto Past and Present offers a different take on the geographical region now know as Toronto. The tour spans over 4000 years of history and touches on a variety of topics like First Nations, North American Slavery, European history and Social Change. Lunch options at St. Lawrence Market are available on this tour as well.
