BRIEF DESCRIPTION OF ATTRACTION

Treetop Trekking Stouffville is the perfect destination for outdoor educational programs. We offer Zip Line and Aerial Game Treks and unique Team Building programs for ages 9 and up, and Treewalk Village, a treehouse wonderland, for all ages. We are located at Bruce’s Mill Conservation Area, a beautiful natural space, located in the Greater Toronto Area in Stouffville. We offer a taste of authentic Ontario outdoor adventure without having to travel hours from the city.

Treetop Trekking is the industry leader in aerial game parks in Ontario. Our safety procedures set the standards for all other operations in the province.

Teachers climb free with their class.

We also have locations in Brampton, Barrie, Huntsville, and Ganaraska (Peterborough).

DESCRIPTION OF EDUCATIONAL PROGRAMS

During our Zip Line and Aerial Game Treks visitors climb from tree to tree on games such as wooden bridges, cable traverses, Tarzan swings and zip lines. During our team building programs and GPS Rallies, groups work together to solve fun and dynamic challenges, while developing communication, problem solving and leadership skills. All of our activities are supervised by trained guides.

During a day with us, students of all ages will develop skills to:

- respond to new challenges
- participate and enjoy sustained physical activity
- set goals and solve problems
- communicate effectively
- contribute to their enjoyment of active living
- apply interpersonal skills as they participate in physical activity
