ATTRACTION DESCRIPTION

Join our salty crew aboard a 45 foot pirate ship for the adventure of the summer! Come dressed in your favourite pirate costume or use our vests, sahes and bandanas as you join our crew. Complimentary face paint tattoos and a sea faring nick name will ready you to live A Pirate's Life. The one hour adventure cruise is fun for students as they explore their theatrical side via our workshopesque experience.

Aboard the vessel the students will be divided into bands of buccaneers, the challenge before them: to prove their seaworthiness and pirattitude via a series of challenges and activities drawn up by the captain and crew. Do ye have what it takes to be a buccaneer, firing the water cannons, crossing swords with a scallywag and hauling up the loot?
