### HOTEL DESCRIPTION

The Comfort Inn Toronto City Centre is a newly opened hotel (July 2012) and is a boutique type hotel with 48 guest rooms of which 22 of them have two queen size beds. This was an old building that was converted into a hotel and it has kept a lot of its charm. You must see the website to view the hotel picture to see what a great property it is.

Each room has a small refrigerator microwave, coffee maker and hair dryer. Free wireless internet, local phone calls, 800 numbers and complimentary hot breakfast.

The location of this hotel is very close to most of the local attraction in the downtown area and also close to shopping (Eaton Centre).

### WHAT MAKES YOUR HOTEL SUITABLE FOR THE STUDENT TRAVEL MARKET?

The Comfort Inn Toronto City Centre is a great fit for any student groups because of the size and location of the property. The morning breakfast will set the students up for the day as it has hot items along with cereals, yogurts, fresh fruit and juices making it a very healthy start to their day.

The rate is also a big factor for our student groups as most of them are on a very tight budget and this is where we can help them out.
