### **WHAT MAKES YOUR HOTEL SUITABLE FOR THE STUDENT TRAVEL MARKET?**

The Super 8 Downtown Toronto is a good fit for the student market as most of our rooms with two queen beds are on the main floor of the hotel making it very easy to keep the group fairly close together. Also our location of the hotel, the students can walk a lot of the downtown attractions making this easy for the group to get around and not always depend on the bus to take them to each of the attractions. We do put the groups in a meeting room for their complimentary continental breakfast each day which helps the tour guide to get them in and out for the day. The rate is also a big factory for our student groups as most of them are on a pretty tight budget.
