## MOTOR COACH AND BUS PARKING INFORMATION FOR TORONTO

### FREE ON STREET MOTOR COACH & BUS PARKING

Recognizing the importance of the motor coach tour industry to Toronto and the significant number of school and tour groups arriving by bus, Toronto was one of the first cities in North America to implement wide-scale, free on-street parking for motor coaches. The City of Toronto has reserved 86 on street parking spaces exclusively for motor coaches and school buses. These parking spaces are located throughout the downtown core, surrounding central business districts and the Portlands area.

Spaces offered are **free of charge** to motor coach operators and coaches are allowed to park from 1 hour up to a maximum of 24 hours depending on the location and traffic conditions.

### MOTOR COACH PARKING LOCATIONS & MAPS

The City of Toronto website provides detailed information and maps outlining the specific bus and motor coach parking locations in each area of the city, the number of spots available and hours when parking is permitted. from a nearby machine located on the sidewalk and place the ticket face side up on the windshield of the bus.

### PLEASE ABIDE BY LOCAL PARKING & TRAFFIC REGULATIONS

Toronto is pleased to welcome thousands of motor coaches and buses to our city on an annual basis. The City of Toronto Transportation Services department is continually striving to improve and increase motor coach and bus parking spaces where feasible and encourages drivers to utilize parking areas provided to avoid parking and traffic violations.

Motor coaches and buses **PARKED** or **WAITING** in a “No Parking”, “No Standing” or “No Stopping” zone and not loading/unloading passengers could be subject to a \$300.00 CDN parking fine. Toronto also enforces an “Anti-Idling” By-law which prohibits idling of a motor coach or bus for more than one minute. Please turn off your engines in respect of our environment and to avoid fines.
