DESCRIPTION OF EDUCATIONAL PROGRAMS

Let the passion of hockey ignite the passion for learning! Discover how hockey can be used as a tool to captivate students through the Hockey Hall of Fame Education Program. Available in three levels; Junior, Intermediate, and Senior, the Hockey Hall of Fame Education Program is created by teachers, for teachers. All materials can be printed for classroom use and are free to download.

Changing the Face of Hockey - Diversity in Our Game, pays homage to the pioneers who confronted discrimination from the hockey world through their perseverance, talent, and courage. They have enriched the cultural landscape of hockey and established a tangible forum in which to fight prejudices still faced by many, both in hockey and in life.

This additional education package highlights four significant issues that helped shape today's game: Ethnicity in Hockey, Marginalized People in Top Level Pro Hockey, Women in Hockey and Disabled Hockey. Featuring curriculum based pre-visit, Hall visit and post-visit activities. An educational highlight to any school visit to the Hockey Hall of Fame!
