BRIEF DESCRIPTION OF ATTRACTION

City of Toronto Historic Sites is a collection of City-owned and operated heritage properties that aim to engage the public in telling Toronto's story. This includes ten museums located throughout Toronto.

DESCRIPTION OF EDUCATIONAL PROGRAMS

City of Toronto museums offer a wide variety of unique, hands-on educational experiences that support the Ontario Education Curriculum. Program offerings are available to students in Grades Kindergarten to 12 and ESL.

Students connect with people of earlier times by getting up close and personal with artifacts, diaries and letters. Through guided tours and hands-on activities our experienced educators use learner-centred and inquiry-based teaching methods to engage students.
