BRIEF DESCRIPTION OF ATTRACTION

The Haunted Walk is Canada's most popular walking tour company. All of our stories are thoroughly researched and will delight even the skeptics in the group! Just us for any of our different tours.

We are best known for our evening tours of local ghost stories and darker history. These tours take place when the lights are low and the atmosphere is just right for a good ghost story. You may recognize our tour guides who wear cloaks and carry lanterns as they lead their groups through the city streets.

Daytime tours also available.
