BRIEF DESCRIPTION OF ATTRACTION

On the brow of a hill overlooking the city, a 98-room castle dominates the skyline – Casa Loma. This renowned landmark features unique architecture, soaring ceilings, rich wood carvings, sumptuous marble and luminous stained glass. Casa Loma is the unique legacy of Sir Henry Mill Pellatt, a prominent Canadian financier, industrialist and military officer of the early twentieth century. You can explore secret passages, view the city from one of two towers, and traverse an 800-foot tunnel to luxurious stables. Five acres of beautiful estate gardens surround the castle and offer sparkling fountains, unique sculptures and dazzling displays of rare annuals and perennials that change with the seasons.
