ATTRACTION DESCRIPTION

Canada's Wonderland is the home to the most exhilarating collection of rides and roller coasters in all of Canada! The park features over 200 attractions, 69 thrilling rides like Leviathan, one of the tallest and fastest coasters in the world and Wonder Mountain's Guardian, an award winning 4-D interactive dark ride and a 20 acre water park. Kids of all ages can have fun with Charlie Brown, Snoopy and the rest of the Peanuts Gang in Planet Snoopy and enjoy the rides & attractions in Kidzville. Wonderland is a place where memories are made.

PERFORMANCE SITE DESCRIPTION

The Festival of Music at Canada's Wonderland is the perfect event to showcase your school band or choir. Budding musicians from across Ontario are stars of the show at Wonderland every May and June. Our festival offers three venues for bands and choirs to perform in and is open to all grade levels and group types. A professional musician will adjudicate the performance. This is adjudication, not a competition. The adjudicator will make comments throughout the performance for the group to keep on a CD. Once the performance is over, the director can pick up their adjudication, to share with the band / choir and a performance appreciation plaque to display in the music room.

This program is a great school trip idea and a special reward for your students who have dedicated themselves to your school band! Festival of Music is open to all elementary, middle and senior high school instrumental and choral groups. Additionally we welcome all community bands and choirs to participate.
